

40 STORY'S

By Youth, For Youth

"40 Story's" is a fun and exciting way to bring our youth community together through art and creativity.

This project is focused to showcase forty assets of leadership by the youth community. All forty assets will be showcased in multiple locations throughout the year, followed by a grand event, to acknowledge their contributions.

If you have a story you would like to share, get involved today by visiting our website at www.meylah.com/3c. Have questions, reach us at catrag101@hotmail.com!
