

**Looking to
make a
statement?**

CG Environmental Designs

**Committed to helping our clients
achieve their dreams and making a
positive impact in the community.**

**We take care to provide
our customers high
quality services
personalized for their
unique needs.**

Interior Decorating

Project Scope Development, Space Planning, Color Consultation, Home Staging, Project Management and Fixture/Furniture/Equipment Consulting (FF&E). We will exceed your expectations and provide a tailored interior that is a reflection of you. With your input we will brand your business from the reception area through the work area

LEED Project Administration

Leadership in Energy & Environmental Design. Communication facilitation, Owner's Representative and Documentation. We will work with your chosen team consisting of the architect, general contractor and engineers to achieve the highest LEED certification level possible.

Sustainable Practices

Assessing a company's employees for their impression of sustainable practices throughout the organization, presentation of analysis and developing an action plan to "green" a business to include cost savings
